25X1A

CENTRAL INTELLIGENCE AGENCY

ATTACHMENT ONE

Deutsche Wirtschaftskommission

Berlin 7 April 1949

Decree S 97/49

1. The distribution of certain raw materials, parts, and finished products in accordance with approved plans may be accomplished by direct exchange between publicly owned enterprises without recourse to commercial channels if the goods are produced in publicly owned enterprises.

(Signed) RAU
(Chairman)

SELMANN
(Deputy Chairman)

ATTACHMENT TWO

1. Relations between private firms on one hand and public enterprises, cooperatives and other organizations on the other hand will be governed by contracts regarding production and delivery.
2. The contracts will call for production in an amount not less than required by production plans. Raw materials, fuel, etc. will be provided on the basis of the contracts from allotments made by the DWK to the states or from local sources.

(Signed) RAU
(Chairman)

LEUSCHNER
(Deputy Chairman)

CONFIDENTIAL
